## VENDOR EXPERIENCES...

"We have been attending the Community Showcase for the last handful of years as a State Farm office and each experience has been great. The traffic has always been strong and we enjoy interacting with families at our booth, both insurance and non-insurance related. The committee goes above and beyond to make sure the event is well-attended, which benefits our local businesses!"  
-Dustin Upgren State Farm Insurance

"What I like about the Cold Spring Business Showcase is that there is a large variety of people attending and as a local business, this is great exposure. I meet many folks that I know and many that are new to me. In either case, I get a chance to talk about my business and get to know some new faces. The event is so well organized that I literally just need to show up with my gear for my booth, and everything is ready to go. I commend the Showcase Committee for their organizational skills and making this an easy and fun event for everyone involved."  
-Kathy Faust with Central MN Credit Union

"It is fun, well attended and provides a great opportunity to learn about what the community has to offer"  
-Michelle, Huse Orthodontics
