VENDOR EXPERIENCES...

"As a long-time sponsor of the Showcase, I highly recommend a vendor booth to small business owners focused on central MN clients/customers. The vendor booth rate is very reasonable, the engagement of the attendees is high due to the many attractions that are woven into the schedule, and the amount of time a vendor needs to dedicate to this event is minimal. If I were a business owner and could only choose one expo to exhibit at, it would be this one!"
-Sheri, Gabriel Media

"What I like about the Cold Spring Business Showcase is that there is a large variety of people attending and as a local business, this is great exposure. I meet many folks that I know and many that are new to me. In either case, I get a chance to talk about my business and get to know some new faces. The event is so well organized that I literally just need to show up with my gear for my booth, and everything is ready to go. I commend the Showcase Committee for their organizational skills and making this an easy and fun event for everyone involved."
-Kathy Faust with Central MN Credit Union

"It is fun, well attended and provides a great opportunity to learn about what the community has to offer"
-Michelle, Huse Orthodontics
