

Social Distancing in the Workplace

- Encourage staff to telework (when feasible), particularly people with underlying medical conditions.
- Implement on-site social distancing measures:
 - Increase physical space between workers at the worksite.
 - Stagger work schedules.
 - Decrease social contacts in the workplace (e.g., limit in-person meetings, meeting for lunch in a break room, etc.)
 - Close work areas to the public (when feasible)
- Limit large work-related gatherings (e.g., staff meetings, after-work functions).
- Limit non-essential work travel (local, domestic and international).
 - When travel is necessary, limit number of employees per vehicle
